## Structure of a Professional Practice Firm

(Certain Guiding principles)

PYRAMID MODEL

CNK & Associates LLP

#### The Core Questions

Why do we exists?

Why are we making those efforts?

How do others see us?

How do we see ourselves 5 years down?

#### The Vicious Circle

Low Fees

Low Quality of Services Rendered

No time for capacity building, technological upgradation, housekeeping, etc.

Add work to compensate for Low Fees

CNK & Associates LLP

Leads to:

Lower remuneration to Staff

Inadequate Staff & Infrastructure

Low Income for Self

Need to increase Billing

#### Challenges in CA practice

- Retain client base especially those clients growing big
- Recruit/retain quality staff
- Risk management
- Need to upgrade knowledge
- Maintaining quality of service
- Managing operating and infrastructure costs

#### Organizational Philosophy

- What is the fundamental guiding factor for the organization
- Is it shared amongst partners and communicated to the staff
- Is there clarity on organizational ethics

#### **Ethics**

- Binds the organization
- Establishes the work culture
- Brings clarity of purpose
- Provides guidelines to tackle tricky/exceptional situations

#### Managing Risk

- Risk can be minimized not eliminated
- Liability under Terms of engagement
- Professional indemnity insurance cover
- Establish Quality Standards
- Streamline processes and procedures
- Hot review of sensitive files

#### Organisational Structure

- Hierarchical Vs. Flat
- Specialization Vs. Rotation
- Dedicated staff Vs. Floating Staff
- Customer Centric Vs. Specialization Centric

#### **Profit Sharing**

- Offering partnership for talent retention
- Fixed and variable share in remuneration
- Fixed and variable share in profits
- Share in Goodwill
- Share in Immoveable Property

#### **Decision making Authority**

- Collective or vested in designated partners
- Can some partners have "veto" powers
- Strategy Committee to involve select partners
- Small groups for development of each practice area

#### Firm Goodwill

- Should goodwill belong to the partners
- Compensation to retiring partner
- Circumstances under which such compensation is revoked
- Should share of retiring partner be "bought" by the continuing partners

#### Succession Planning

- Performance appraisal of partners
- Parameters of such appraisal
- Mentoring of junior partners to take up leadership
- Role to be played by senior partners
- Fixing a retirement age

#### LLP

CNK & Associates LLP

#### Why LLP?

- Limited Liability
- No restriction on no. of partners
- Much more flexible than a corporate structure

#### LLP a one way street

- Firm can be converted to LLP but not vice versa
- No specific tax exemption on conversion
- Lack of financial secrecy

#### Comparison of LLP with Firm

Description	LLP	Firm
Legal entity	Separate Legal entity	Not a separate legal entity
Liability of members	Limited Liability	Unlimited Liability
Maximum Members	No cap	50
MAT	Not Applicable, however now AMT would apply	Not Applicable, however now AMT would apply
Registration	Under LLP Act, 2008	Optional, but preferred
Perpetual Succession	Yes	No
Ownership of Assets	LLP can own assets in its own name	Assets must be in name of partners

#### **Talent Retention**

### CA Firms compete in two distinct areas in the Market Places

- Compete for:
  - ✓ Client
  - ✓ Staff
- The ability to attract, develop, retain & deploy staff will be the single biggest determinant of competitive success in the coming decade

#### Invest in Human Resources

- Monetary rewards
- Work environment
- Job security
- Scope for growth & career path
- Training and Development

#### Beware of Under Delegation

- Lack of skill building
- Adverse impact on morale, motivation, satisfaction and excitement
- Under investment in the future
- Reluctance of partners in coaching & supervision

#### Performance Appraisal

- Institute a formal system of performance appraisal
- Create a feedback loop, 360° Appraisal
- Salary increments should be linked with performance
   & productivity
- How to determine productivity
- Introduce performance incentive reward the star performers

#### **Invest in Training**

- Technical staff making in house presentations
- Training sessions jointly with other organizations
- Invite outside faculty
- Encourage and sponsor staff for outside training programmes
- On the job training

#### Investment in technology

- Systems to track work
- Reduced chance of clerical errors
- Standardisation of routine work
- Downward delegation
- Is maintaining time sheet passé

#### Work environment

- Nurturing stimulating non-threatening
- Allows staff to maintain their uniqueness and creativity
- Systems are the means to achieve the end and not an end in itself
- Reward performance and provide support and guidance to those willing to learn

#### Integration

- Understanding between partners
- Orientation programme for the new staff
- Consciously planning the audit team
- Building systems and creating culture for improving staff interaction and communication
- Staff get together and picnics

#### Retain & Manage Talent

- Recognize, Manage & retain Talent
- Offer career path
- Accept that staff turnover is a reality

# Role of Partners and their Relationship Interse

#### The Pre-requisite

- Commonality of thinking amongst partners
- All issues cannot be visualized upfront
- Open communication is the key to resolving unanticipated problems

#### Working with Equals

- Loss of independence & flexibility
- Need to compromise and accommodate
- Clash of personalities
- Partner appraisal

#### **Role of Partners**

- Supervisory
- Managerial
- Leadership

#### Role Model

- Technical competence
- Inter personal skills
- Good Motivator
- Rain Maker
- Ability to delegate
- Creating the second line of leadership

#### Think Strategically

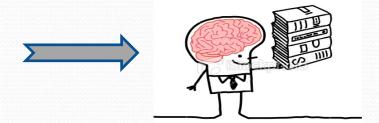

#### Branding

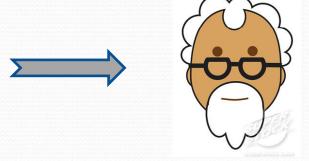

- Standardisation in presentation, delivery and processes
- Perception management
- Public presence

#### Categorization of Professional Practice

Brains (Expertise) practice:
 Hire us because we are smart.

Grey Hair (Experience)
 practice: Hire us because
 we have been through this
 before

Procedural (Efficiency)
 practice: Hire us because
 we know how to do this
 and can deliver it efficiently

CNK & Associates LLP

### Quality of Work Vs. Quality of Service

Goods are consumed but services are experienced

Satisfaction = Perception - Expectation

#### Finally

- If everything is coming towards you, it only means you are driving in the wrong lane
- Every truth has four corners: as a facilitator I give you one corner, and it is for you to find the other three.
